SPANISH SPEAKING MEETING STARTS IN WILLIAMSBURG

Nelson Mandela, famous anti-apartheid activist and Nobel Peace prize recipient once said “If you talk to a man in a language he understands, that goes to his head. If you talk to him in his language, that goes to his heart.”. Mr. Mandela’s lifetime of work for freedom and democracy for all citizens in South Africa demonstrates the power of grass roots activism and outreach to all in a community. Communication in native tongue fosters the conversations required to reach all recovering alcoholics.

Here in Williamsburg, we have a thriving Spanish as a first language community. Last September Alcoholics Anonymous members started the first ever, Spanish speaking Big Book meeting in Norge. This meeting is an open discussion meeting and welcomes those with fluent to basic Spanish speaking abilities. Participating in this meeting will only enhance your Spanish speaking skills and expand your participation in the fellowship. Please feel free to join this meeting on Tuesday at 7:00 pm.
